Job Opening: Maintenance Repairer Apprenticeship Program Instructor

Reports to: Apprenticeship Program Coordinator
Location: Ajo, Arizona
Application Deadline: Open until filled

This is a responsible position with the International Sonoran Desert Alliance (ISDA) involving on-site physical labor and instruction for the Maintenance Repairer Apprentice to Journeyman Program. The program is designed to provide training opportunities to adults interested in a career in the building trades. The Instructor works directly with apprentices, project managers, other journeyman instructors and the Apprenticeship Training Committee. The Instructor will also work with the instruction team to provide an environment that supports and empowers apprentices to learn new skills and develop confidence, consistency and reliability.

At the International Sonoran Desert Alliance (ISDA) we design and implement environmental cultural, real estate and business development projects intended to preserve and enrich the environment, culture and economy of the Sonoran Desert. ISDA is a tri-national and tri-cultural organization. This position requires the ability to work with people from various cultural backgrounds and affiliations, including residents of the Tohono O'odham Nation and Sonora, Mexico, among others. Learn more about ISDA on our website at: http://isdanet.org and on Facebook: https://www.facebook.com/ISDAInternationalSonoranDesertAlliance/

Duties and Responsibilities:
• Work safely and efficiently on various building repair and maintenance projects
• Monitor and enforce ISDA’s safety program
• Assist in monitoring apprentice compliance with apprenticeship agreement
• Provide regular instruction and supervision to apprentices
• Assist with job planning and organization
• Assist in monitoring and maintaining OSHA/ADOSH compliance in all working environments.
• Perform other related duties as assigned.
